

COBRA Optimist Volleyball League Online Registration

Online registration can be done by going to

www.cobraoptimist.org

and clicking on “Volleyball”

Please note: If you register as an individual, team or coach and request Monday or Tuesday only, we cannot guarantee that we will be able to accommodate the request.

Individual Registration:

Players can be registered online as individuals wishing to be placed on a team. We make every effort to place all who register on a team but cannot guarantee a place as it is dependent on finding enough coaches. Please consider volunteering as a coach to ensure your child is placed on a team.

Team Registrations:

Teams can be registered online by each player individually completing the registration form and noting the coach(es) name in the “Notes” section of the registration form. We will place the player on the coach’s team.

If you wish to register your child and note that they wish to play on a team with another player we will try to accommodate your request but cannot guarantee it.

Contact Sasha at cobravbcoordinator@gmail.com if you have any questions about registration.
